E-WASTE COLLECTION POINTS

We have sign an agreement with M/s. **GLOBAL WASTE SOLUTION**, who are an authorized dismantler and recycler having authorization from Haryana Pollution control board as our new Recycler, who shall be responsible for all the EPR activities including collection transportation storage, segregation and dismantling and recycling with regards to our E Waste. We will use our recycler Partner's collection points for channelization of the e-waste. We don't have collection points in all the states but the collection points of neighboring state will collect the e-waste from nearby States. States wise list of collection points are given below:

Do's & Don'ts

Do's:	Don'ts:
Always look for information on the catalogue with your product for end-of life equipment handling	Do not dismantle your electronic products on your own.
Ensure that only Authorized Recyclers repair and handle your electronic products. Always call our E-waste Authorized Collection points to dispose products that have reached end-of life.	Do not throw electronics in bins having "Do not Dispose" sign.
Always drop your used electronic products batteries or any accessories when they reach the end of their life at your nearest Authorized E-waste Collection point.	Do not give e-waste to informal (Kabbadi) and unorganized sectors like Local Scrap Dealer Rag Pickers.
Always disconnect the battery from product and ensure any glass surface is protected against breakage.	Do not dispose your product in garbage bins along with municipal waste that ultimate reaches landfills.
